**MEMORANDUM FOR: The Military Representative of the
President**

ATTENTION: Thomas W. Davis, Jr., Assistant to the
Military Representative

SUBJECT: Interim Report of CIA Training in Counter-
Insurgency

1. Nineteen courses listed below cover all aspects of CIA's training requirements for clandestine and covert action operations in counter-insurgency. [redacted] persons were trained in regularly scheduled courses and [redacted] tutorially from 1 April 1961 to 31 March 1962. This interim report describes these courses and gives the number of students in and the duration of each course. Since 2 April 1962, new blocks of instruction on the history of subversive movements and on Communist tactics and techniques having an application to counter-insurgency have been developed and are being added to these courses in direct response to NSAM 131.

A diagram consisting of three black-outlined rectangles. One large rectangle is positioned in the upper right quadrant. A much smaller rectangle is located near the bottom center, slightly to the right of a very thin horizontal line. A very small rectangle is positioned to the right of the bottom center rectangle.
